Executive Committee Chairperson Katsuyuki TANAKA (Nihon University)

International Workshop on Environmental Engineering 2025  
The 35 th Symposium on Environmental Engineering 2025  
Announcement of Sponsor Advertisements

We would like to express our sincere gratitude for your special understanding and support for the activities of the Environmental Engineering Department of the Japan Society of Mechanical Engineers.

We are currently preparing to hold the International Workshop on Environmental Engineering 2025 sponsored by our division and the 35 th Symposium on Environmental Engineering 2025 at Kitami Institute of Technology (Kitami City) from Friday, July 18, to July 21 (Mon.), 2025.

We hope this opportunity will be used to promote your company products and recruit researchers in this field. Therefore, we would like to ask your company, which has a deep relationship with our division, to place a sponsor advertisement. A total of 200 papers will be presented at the International Workshop on Environmental Engineering 2025 and the 35 th General Symposium on Environmental Engineering 2025. Sponsor advertisements are posted at the following locations, fees, benefits, application deadlines, and application methods.
