Announcement of Sponsor Advertisements

We would like to express our sincere gratitude for your special understanding and support for the activities of the Environmental Engineering Department of the Japan Society of Mechanical Engineers.

We are currently preparing to hold the International Workshop on Environmental Engineering 2025 sponsored by our division and the 35 th Symposium on Environmental Engineering 2025 at Kitami Institute of Technology (Kitami City) from Friday, July 18, to July 21 (Mon.), 2025.

This time, we have set a sponsor announcement frame to encourage companies to make positive announcements. The sponsorship announcement frame does not include the participation fee for banquets and excursions, but they can participate with or without membership in the Society of Mechanical Engineers at a low cost. We look forward to your active use.

In addition to the sponsor announcement frame, please consider the sponsor advertisement. If you apply for a sponsor advertisement using the sponsor announcement window, we will offer you a discount for the sponsor advertisement.

The fee, application deadline, and application method for the sponsor announcement are as follows.

#### Notice
