LIXIL / Sumitomo Wiring Systems, Ltd.

- Contents -

※Finish after completing the questionnaire.

【Part I】 What you need to know when choosing "Work in Japan"

15:30-15:35 Opening (Junho Choi, The University of Tokyo)

15:35-15:55 About job hunting for international students (Uchida Reina, rikunabi)

15:55-16:10 My experience in the Japanese company (Jian Huang, IHI Co.)

【Break】 10 min.

【Part II】 Roundtable talk

16:20-18:20 Roundtable talk with company staffs using breakout sessions

- Internship Roundtable Talk -

Domestic companies that employ foreign national students majoring in mechanical engineering also participate. Because of the small round-table discussion format, you can learn more about the "working environments" of each company.

※JSME membership is not required.

※This event will be held in Japanese. However there are limited number of Japanese-English and Japanese-Chinese interpreters.
